

Control

NC1100

Designed to endure

- Latest design features ensure durability, low noise and reduced fuel consumption
- Optimal combination of low rolling resistance and high grip on wet and dry surfaces
- Aggressively styled pattern grooves help enhance grip in all weather
- Optimized center block design and strong shoulders provide better impact distribution and increase traction when heavily loaded
- Stronger sidewalls ensure even performance for both light and heavy loads
- Perfect mix of durability, comfort, and road performance
- Updated design optimizes grip and increases safety.
